

Tools Required:

- No tools required for installation

**Notice to Installer:**

1. Trim ring for use with 50 539 ceiling and wall luminaire.
2. Stainless steel finish.
3. See individual luminaire installation instructions for luminaire installation and safety details.

Installation:

1. Remove luminaire glass diffuser by unscrewing counter-clockwise and set aside.
2. Place trim ring over luminaire housing.
3. Replace luminaire glass diffuser by screwing clock-wise, securing trim ring in place.

Maintenance:

Clean regularly with solvent-free cleaner removing dirt and debris. Do not use high pressure cleaners.
