

Application

A series of ceiling luminaires featuring a painted white housing finish and a highly efficient LED source. Their unique beauty and versatility is enhanced by the choice of three interior metal paint finishes. These stylish metal finishes can be chosen to compliment a wide array of interior decorations, as the internally reflected light takes on the quality and color of the metal paint. The result is an eye-catching, yet subtle hint of colored light on the outside edges of the beam spread.

Materials

Hand-blown three-ply opal glass  
Aluminum housing

NRTL listed to North American Standards, for interior use only

Weight: 7.1 lbs.

Electrical

Operating voltage	120-277VAC
Minimum start temperature	-30° C
LED module wattage	43.5 W
System wattage	48.6 W
Controllability	0-10V dimmable
Color rendering index	Ra > 80
Luminaire lumens	2339 lm
LED service life (L70)	60000 hrs

LED color temperature

- 4000K (K4)
- 3500K (K35)
- 3000K (K3)
- 2700K (K27)
