

Large-area pendant luminaire · STUDIO LINE · White · Tunable white

BEGA

**Application**

A large scale STUDIO LINE pendant, available with tunable white technology. Its unique beauty and versatility is enhanced by the choice of three matte interior finishes combined with a white exterior. These finishes may be chosen to complement a wide array of interior spaces. A subtle hint of colored light on the outside edge of the beam spread results from the internally reflected light. The result is an eye-catching and elegant lighting effect.

**Materials**

White high-density polyethylene diffuser  
 Aluminum housing  
 Stainless steel suspension cable

**NRTL** listed to North American Standards, for interior use only

**Weight:** 59.3lbs.

**Electrical**

Operating voltage 120-277VAC  
 Minimum start temperature -20° C
