## Application

This long, cylindrical form is perfect for tall spaces such as stairways and corridors. Its unique beauty and versatility is enhanced by the choice of three matte interior finishes combined with a white exterior. These finishes may be chosen to complement a wide array of interior spaces. A subtle hint of colored light on the outside edge of the beam spread results from the internally reflected light. The result is an eye-catching and elegant lighting effect.

## Materials

Aluminum housing
White connecting cable
Galvanized zinc-plated mounting bracket
Silicone optic with excellent high temperature and UV stability
NRTL listed to North American Standards, for interior use only
Weight: 2.2 lbs.

## Electrical

Operating voltage 120-277VAC
Minimum start temperature
$-20^{\circ} \mathrm{C}$
LED module wattage
System wattage
Controllability
Color rendering index
Luminaire lumens
LED service life (L70)

## LED color temperature

## $\square 4000 \mathrm{~K}$ (K4)

$\square 3500 \mathrm{~K}$ (K35)
$\square 3000 \mathrm{~K}$ (K3)
$\square 2700 \mathrm{~K}$ (K27)
BEGA can supply you with suitable LED replacement modules for up to 20 years after the purchase of LED luminaires - see website for details
