

Application

This recessed trimless downlight installs flush with the ceiling plane. A subtle hint of colored light on the outside edge of the beam spread results from the internally reflected light. The result is an eye-catching and elegant lighting effect.

Materials

Die-cast aluminum
 Composite installation housing
 Silicone optic with excellent high temperature and UV stability
 Pure anodized aluminum reflector surface with matte finish

NRTL listed to North American Standards, for interior use only

Weight: 1.2 lbs.

Electrical

Operating voltage	120-277VAC
